

Welcome to the Doors of Perception

I am GOK (Guide Of Knowledge), and it is my job to read your MIND. Please select a door below.

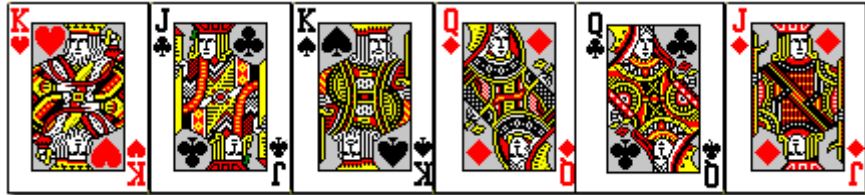

Beware of the Path You Take...

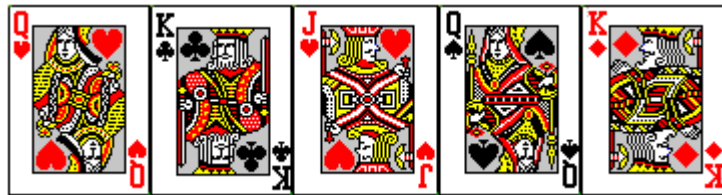

What you need to write in your notebook:

1. Write down questions you have or possible solutions (HYPOTHESIS) to how it works.
2. Draw at least 3 pictures describing the activity.
(You can do this while on a computer on during the class demonstration.)
3. Use 2 to 4 sentences to answer the questions below:
 - a. How do the Doors of Perception Work?
 - b. Why does it not always pick the correct card?
 - c. How does this activity relate to the scientific method?
 - d. What did you learn from this activity as it relates to science?

**Now, I shall attempt to control your thoughts.
Please mentally select a card and concentrate on it.
But please, DON'T CLICK on your card.
I will perform this feat via mind control.**

**After you have memorized your card,
please click HERE to continue.**

**GOK has selected your card and
has removed it from the pile.**
