

# Extra Credit Information Sheet

## Read Carefully

**Extra Credit** that does not follow the information on this paper will not receive full credit.

1. Extra credit can be up to, but not more than 10 points per piece.
2. No more than 30 points of extra credit per trimester.
3. You may do extra credit on any area of science that interests you.
4. Your extra credit may be in any form, such as reports, models, mobiles, oral reports, plays, projects, films, etc. As always the more creative and the more you understand your subject, the more points you can earn for each item submitted.
5. Your Extra Credit is to be submitted in **four parts**, you must give me, in order:  
**Part 1. Title page** with: Title, name, date, period, and the words "Extra Credit".  
**Part 2.** Why you chose this subject (why it interests you).  
**Part 3.** Your Extra Credit project, paper or your presentation, film, project, etc.  
**Part 4.** Where you got your information, (your source properly cited).
6. Your Extra Credit must be presented in a clear, neat, precise way.
7. Extra Credit should be typed (any parts that require to be in writing).

**\*ALL EXTRA CREDIT IS DUE 2 WEEKS (10 DAYS)  
BEFORE  
THE LAST DAY OF THE TRIMESTER.**
